

SSEC Significant Achievements

1. StartupTN -Pre Incubation Center (2025)

StartupTN Pre Incubation Center) is an initiative by the Tamil Nadu government aimed at supporting early-stage entrepreneurs by providing guidance, mentorship, training, and resources to transform innovative ideas into viable startups.

The center focuses on helping aspiring founders develop their business models, validate ideas, improve entrepreneurial skills, and gain access to industry experts, investors, and startup networks.

Through workshops, incubation support, and ecosystem connections, StartupTN Pre Incubation Centers encourage innovation, promote entrepreneurship among students and young professionals, and contribute to the growth of a strong startup culture across Tamil Nadu.

2. MSME Host Institute Business Incubator (Approved May 2026)

SSEC-BI is an initiative supported by Ministry of Micro, Small and Medium Enterprise, Government of India. SSEC-BI aims to nurture technology and knowledge based entrepreneurs right from ideation stage to starting a business venture.

The incubation facility at SSEC-BI will focus (not limited to) on working with the start-ups in the areas of:

- Nanotechnology
- Composite material
- Embedded Systems
- Internet of Things
- Electrical and Electronics
- Electronics Instrumentation & Sensors
- Automated Test Systems
